# ABOUT SHCP

Seven Hills College of Pharmacy (SHCP) was started in 2007 as an institution exclusively specialized in Pharmacy Education by Global Vision Educational & Welfare Society (Regd.No.: 296/2005), a non-profit organization registered under the Registration of Societies Act with the Registrar of Societies, Balaji's Registration District. The College has been carefully launched & nurtured by its founders & visionaries **Shri M. Venkatrama Raju & Dr.M.Niranjan Babu**, who have been learned educationists themselves. Presently the College is offering B.Pharmacy & M.Pharmacy (Pharmaceutics, Pharmaceutical Analysis & Pharmacology), Pharma D & Pharm D (PB), Ph.D in Pharmaceutical Sciences. SHCP is a one-stop solution for all the higher education & research requirements of Pharmacy students.

## Features:

Wi-fi campus

Laboratory facilities

Central & Department Library

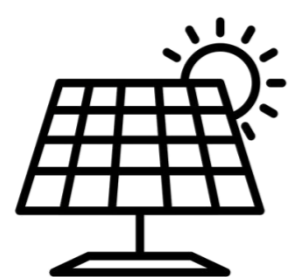

Efficient Faculty

Digital Class Rooms

Career Guidance & Placements

Solar Power Grid System

Sports & Game Facility

Animal Research

Skill Development Center

Open Gym & Fitness Center

CCTV Surveillance

RO Drinking Water

Green & Swachh Campus

Separate A/C Hostel Facility for Boys & Girls

## VISION

To emerge as one of the premier pharmacy colleges in the country and produce pharmacy professionals of global standards.

## MISSION

To deliver quality academic programs in Pharmacy and empower the students to meet Industrial Standards.

To build student community with high ethical standards to undertake R&D in thrust areas of national and international needs.

To extend viable outreach programs for the health care needs of the society.

To develop industry institute interaction and foster entrepreneurial spirit among graduates.

## PRINCIPAL MESSAGE

The dawn of new age reforms in the Indian economy & its increased interconnection with the world economies has brought in revolutionary efficiency & effectiveness across the manufacturing sector including the Pharmaceutical industries. There have been phenomenal improvisations in the various processes i.e. new Drug discovery, Drug development, Drug production & Drug marketing. The pharma industry has been successful to adapt to the new technological changes warranted by the onset of Nano Technology.

**Dr.M.Niranjan Babu, M.Pharm, Ph.D.,  
Founder & Principal**

## CORRESPONDENT MESSAGE

**Correspondent  
Smt.A.Mohini**

The campus of the College is ideally optimized to be learner-friendly. The College has the qualified, experienced & learned faculty in place, who are accessible for the students any time. The uncompromising choice of the management for imparting qualitative education has already won the accolades of the stakeholders. Seven Hills College of Pharmacy has always been pro-student. You will be glad to learn that Seven Hills College of Pharmacy has transformed into a truly result-oriented institution with keen focus on the overall development of the student.

## COURSES OFFERED

**EAMCET CODE: SHCP**

**PGECET CODE: SHCP1**

### **B.PHARMACY**

[Bachelor of Pharmacy]

**Duration: 4 years**

**Eligibility:** 10 + 2 with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and or Biology (P.C.B / P.C.M.B.) as optional subjects individually

### **PHARM.D**

[Doctor of Pharmacy]

**Duration: 6 years**

**Eligibility:** 10+2 examination with Physics and Chemistry as compulsory subjects along with one of the two subjects: Mathematics or Biology

### **M.PHARMACY**

**Duration: 2 years**

#### **Specializations**

- **Pharmaceutics**
- **Pharmaceutical Analysis**
- **Pharmacology**

### **PHARM.D (PB)**

DOCTOR OF PHARMACY (POST BACCALAUREATE)

**Duration: 3 years**

**Eligibility:** B.Pharmacy with 55% aggregate

### **Ph.D in Pharmaceutical Sciences**

**Duration : 3 Years**

# B.PHARMACY

## [Bachelor of Pharmacy]

Intake  
100

Globally the pharmaceutical field has a revolutionary progress. Through B.Pharmacy, the health science that associates medical science with chemistry focused on discovery, production, control, disposal, safe and effective use of drugs. Pharmacists provide direct patient care services that optimize the use of medication and promotes health, wellness and disease prevention. With the phenomenal growth of pharmaceutical industry, the health sector has thrown whole host of opportunities for pharmacy proficient's.

# PHARM.D

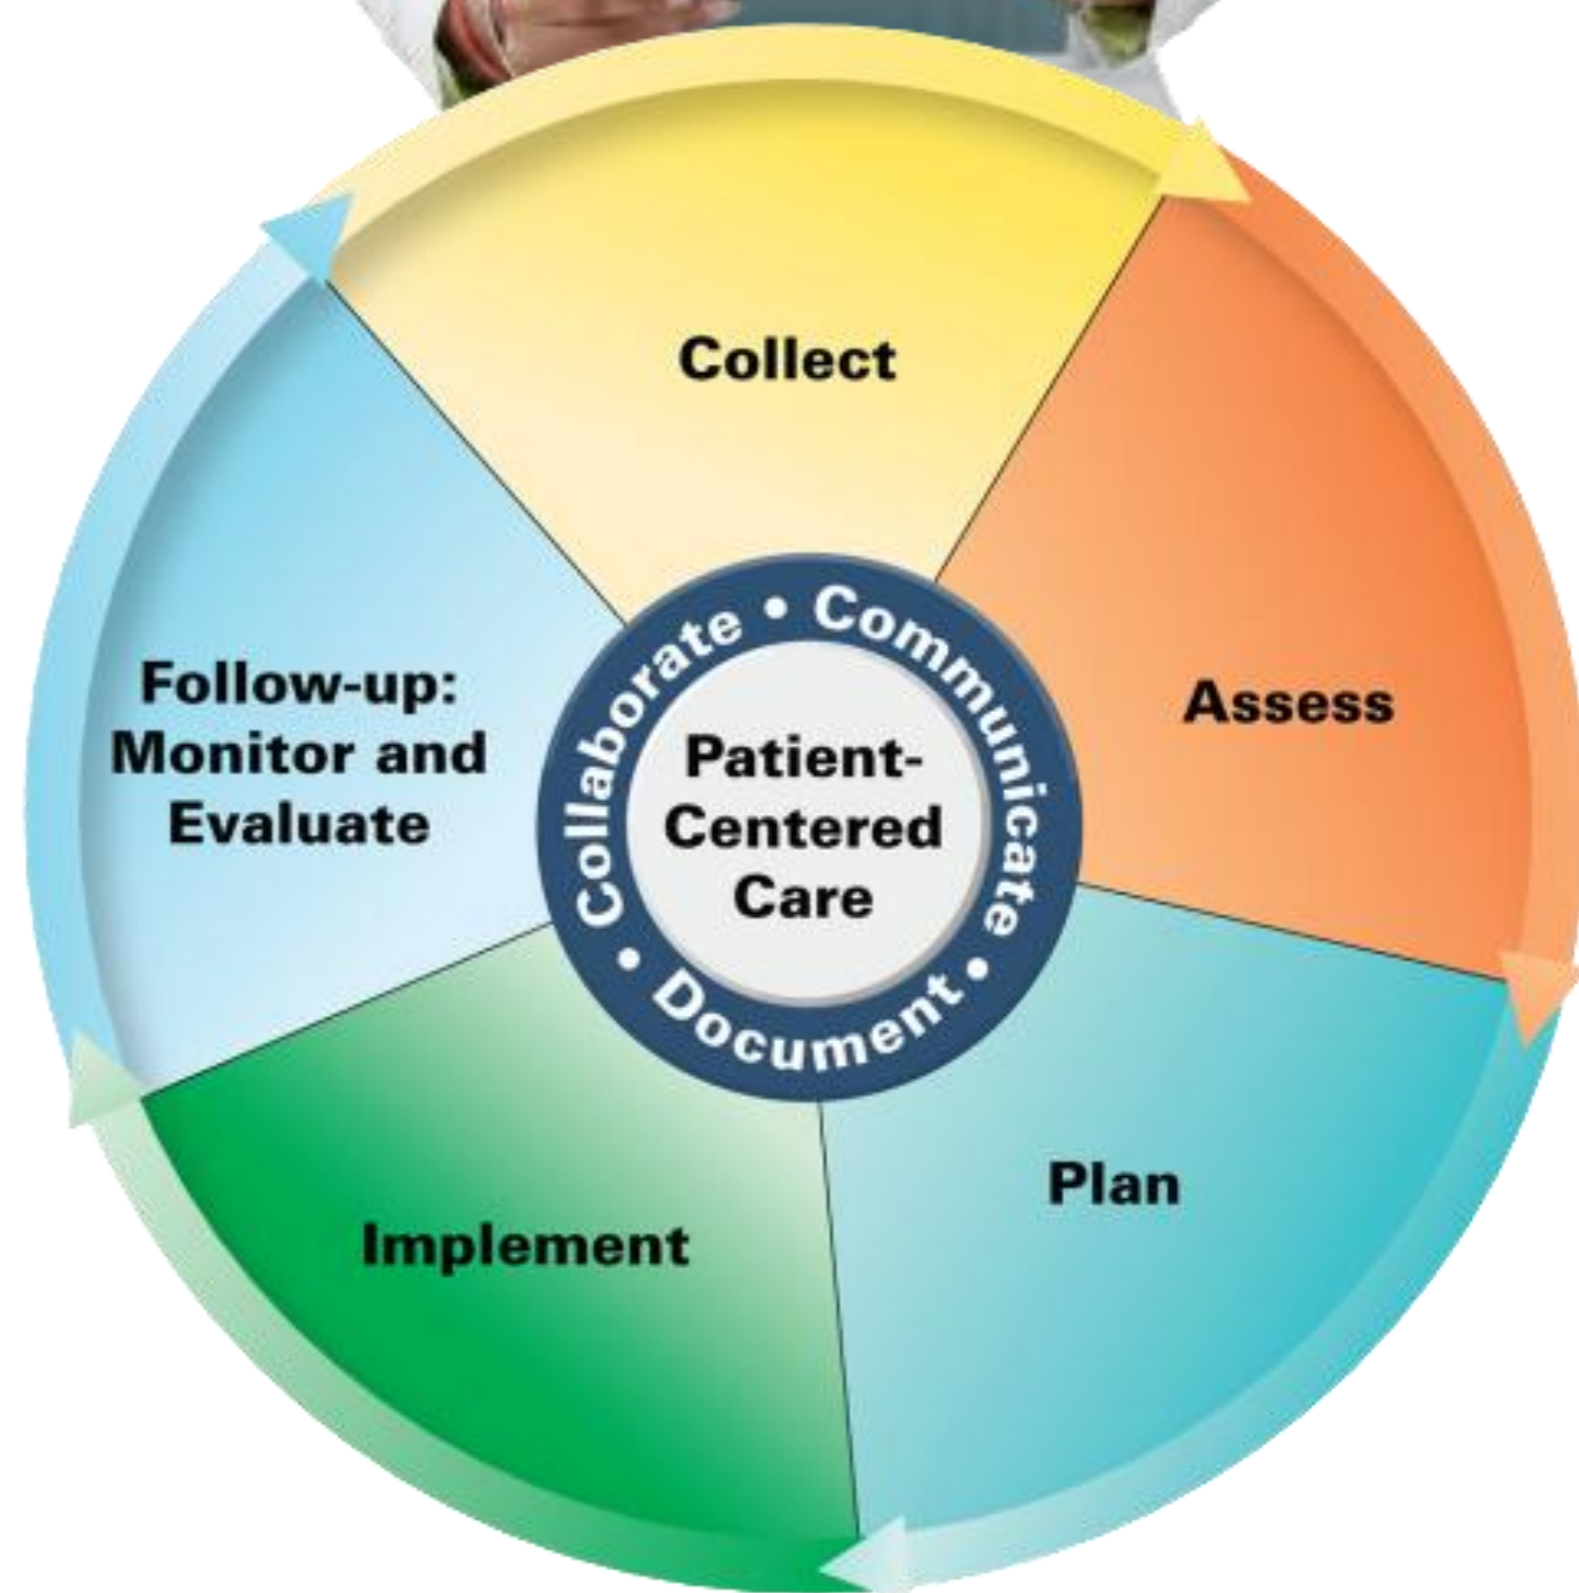

[Doctor of Pharmacy]

&

# PHARM.D (PB)

[Doctor of Pharmacy - Post Baccalaureate]

Clinical pharmacists are now an integral part of the interdisciplinary approach to patient care. The scope of pharmacy practice includes more conventional roles such as compounding and dispensing of medications and it also includes more contemporary services related to health care, including clinical services, reviewing medication for safety and efficacy and providing drug information. Pharmacists, are the experts on drug therapy and are the primary health professionals who optimize the use of medication for the benefit of the patients.

**Pharm.D  
(PB)  
Intake  
10**

**Pharm.D  
Intake  
30**

# M.PHARMACY - **Pharmaceutics**

The Department of Pharmaceutics has a rich tradition of innovation and a commitment to advancing health through new knowledge. Pharmaceutics is the study of the quantitative aspects of drug delivery. The field encompasses a multitude of scientific disciplines that support the drug discovery and development processes including identifying, designing and making new therapeutic molecules and dosage forms. The area of research ranges from fundamental studies of the physicochemical properties of drugs and related molecules to dosage forms and delivery systems.

# M.PHARMACY – Pharmaceutical Analysis

Pharmaceutical Analysis is a branch of chemistry, which involves the series of process for the identification, determination, quantitation and purification of chemical entity. Pharmaceutical analysis in drug development mainly focus on methods to identify and quantify potential new drug candidates. The Department is well equipped with modern analytical facilities like U.V, HPLC, FT-IR and GC. Department includes determination of quality of drug products via application of Analytical Chemistry. Students enrolled to the course are imparted both theoretical and practical skills needed to operate laboratory instruments during drug & Bioanalysis.

**Intake  
15**

# M.PHARMACY – Pharmacology

**Intake  
15**

This branch of science equips a student with the ability to appreciate the establishment of dose, dosage, efficacy and safety of medicines, their mechanisms, and disposition. Pharmacology gives an immense scope for exploration into diversified sub domains such as Signaling and Molecular mechanisms of Medicines, Clinical Pharmacology and Biopharmaceutics, Preclinical and Clinical trials. Professional pharmacologists tend towards career in basic research and teaching in academia, in conducting innovative research in the Pharmaceutical/Biotech industry or for government laboratories and ensuring the safety of drugs and chemicals through work at government agencies.

CULTURAL EVENTS

## Awards/ Rewards

Title of the Award	Name of the Awardee	Awarding Agency
Dr. APJ Abdul Kalam Life Time Achievement Award	Dr.M.Niranjan Babu	International Institute for Social & Economic Reforms (R), Bengaluru
Green Institute Mentor Award	Seven Hills College of Pharmacy	Ministry of Health and Resource development, New Delhi
Swachh Ranking - 50	Seven Hills College of Pharmacy	Ministry of Health and Resource development, New Delhi
Chatrapathi Award	Dr.M.Niranjan Babu	Shivaji Youth Foundation, Nellore
Fellow	Dr.L.Priyanka Dwarampudi	Academy of General Education, Manipal
Fellow	Dr.Y.Lavanya	Academy general of Education, Manipal
Young scientist award	Dr.Y.Lavanya	DK International Research Foundation
Best women scientist	Dr.Y.Lavanya	Novel Research Academy, Puducherry

## CAREER GUIDANCE, TRAINING & PLACEMENTS

The Placement Cell organizes career guidance programmes for all the students starting from first year by arranging training programmes like Mock Interviews, Group Discussions, Communication Skills and Workshops etc. We have been successful in maintaining our high placement scenario over the decade and the fact that our students with best emplacement itself is a testimony to our quality. Our ingenious alumni have set new standards in the pharmacy profession through their venerable contributions and it is firm certainty to continue that legacy in the future prospects.

Name of the Company / Industry	Number of Students Placed for the Academic Year 2019-20
Scifed laboratories Pvt., Ltd., Hyderabad	11
Divis Laboratories , Hyderabad	03
Appollo Health Care Pvt., Ltd., Chennai	15
AGS Health Care Pvt., Ltd., Tirupati	11
Medi Assist TPA Pvt., Ltd., Bangalore	16
